

Notice:

Aguilar Plant Care, Inc. will be treating the following at Rancho Highlands HOA:

Treatment to 119 Sycamore trees throughout community for Anthracnose and Mildew control.

Treatments will be made from 7:00 am to 12:00 pm on Friday May 2nd, 2014.

Please keep away from the Sycamores until the plant material is dry.

The following products will be used:

T Bird 4.5L (Phoenix)

Fosphite (JH Biotech)

Wisdom TC (Amvac)

Mallet 2f t&O (Nu Farm)

Please keep away from treatment areas until dry.

Keep nearby windows closed during the treatment and keep vehicles out of the adjacent areas.

If you have any questions please contact your community management.

Thank you for your cooperation and for helping keep your landscape healthy and beautiful.
