Re: Pest Treatment Notification

Dear Rancho Highlands Homeowner,

The Board of Directors hired Aguilar Plant Care, Inc. to treat 119 Sycamore trees throughout community for Anthracnose and Mildew control.

Treatments will be made from 7:00 am to 12:00 pm on Friday, March 14th, 2014. Please keep away (Humans, children, pets, etc.) from the Sycamores until the plant material is dry. Keep nearby windows closed during the treatment and keep vehicles out of the adjacent areas.

The following products will be used:

Champ 2 (Copper) (Nufarm)

Tri Tek Oil (Brandt)

There are two more planned treatments for the Sycamore trees in the community this year. We will post future Pest Treatment Notifications on your Community Website at www.RanchoCommunity.com and also at the bulletin board in the pool area. Please check the website and bulletin board often for notices. If you have any questions please contact Avalon Management at ranchohighlands@avalonweb.com or 951-699-2918.

Thank you for your cooperation and for helping keep your common area landscaping healthy and beautiful.

Sincerely,

Board of Directors
Rancho Highlands Community Association
